YOUTH COMMITTEE

Vision West ND is
setting the stage for economic
sustainability in western
North Dakota.
Join us and become an
influencer.

LEAD | EDUCATE | COLLABORATE

The VWND Consortium is a collaborative team of representatives from western North Dakota counties, cities, economic development organizations, universities, businesses and business organizations, associations, state organizations, and others who are interested in sustainability for western North Dakota.

As a member of the Youth Committee, you will have an opportunity to share your perspective on issues impacting western North Dakota while having a voice in your community.

Vision West ND Youth Committee Chair

Aidan Pelton

Experience comes first as the best teacher to success.

BE THE CHANGE

Expectations

As a proactive and engaged member, you will attend board meetings and participate in community events. You'll be involved in organizing events relevant to the western North Dakota region. You'll maintain open communication and establish connections with consortium members and political representatives. Your dedication to community involvement will help shape a brighter future for the region.

Begin Today
